

CITY OF MILWAUKIE

CLASSIFICATION: MECHANIC

Department: Public Works

Grade Number: 59

FLSA: Non exempt

Location: Johnson Creek Blvd (Fleet)

Union: AFSCME

EEO Category: 7 – Skilled Craft

DESCRIPTION:

Performs a wide variety of preventative maintenance and major and minor repair activities for all Public Works equipment and Police vehicles. Diagnoses malfunctions and accomplishes repairs in the shop or in the field as needed. Reports directly to the Fleet and Facilities Supervisor. Occasionally performs duties associated with utility construction and facilities maintenance.

DUTIES AND RESPONSIBILITIES:

(Tasks listed are intended to be descriptive and not restrictive. An employee in this classification may perform any of the tasks listed; however, these examples do not include all the tasks which an employee may be expected to perform.)

ESSENTIAL DUTIES AND RESPONSIBILITIES:

1. Plans, carries out and evaluates preventive maintenance schedules for all vehicles and mechanical equipment, either personally, or through outside vendors.
2. Operates a variety of diagnostic instruments and a variety of hand, electric, and air-driven tools.
3. Diagnoses problems and performs repair and maintenance on all vehicles and mechanical equipment.
4. Purchases equipment, parts, and supplies used for vehicle and mechanical system maintenance.
5. Inspects, adjusts and replaces necessary units and related parts in the performance of repair and maintenance work.
6. Repairs brake, engine, electrical, fuel, hydraulic, transmission, ignition, air, exhaust, axle assemblies and related systems.
7. Evaluates status of mechanical equipment and vehicles and performs or schedules needed repairs.
8. Conducts various analyses and inspections of vehicles and mechanical systems to determine the most cost-effective means of maintenance, repair or replacement.
9. Changes and repairs tires and tubes.
10. Cuts and welds metal and performs body repair, touch up and related work.
11. Maintains records, writes work orders, prepares reports and other specialized maintenance records of equipment and mechanical equipment.
12. Provides emergency field assistance to disabled equipment as needed and appropriate.
13. May perform general carpentry work for facilities repairs.
14. May repair interior and exterior of buildings. Work may include painting, door repair, minor plumbing repair (not requiring a licensed plumber), changing of light bulbs and minor electrical repair (not requiring a licensed electrician), as needed.
15. Maintains positive public relations with customers and is responsive to customer needs.
16. Develops safe work habits and contributes to the safety of self, co-workers and the general public.
17. Performs other duties as required.

JOB SPECIFICATIONS:
